The charm of travertine in three-dimensional guise.

Il fascino senza tempo del **travertino italiano** in versione **crosscut**, declinato in due varianti cromatiche dall'appeal classico e in due finiture: **naturale e strutturata**, una superficie **tridimensionale** che riproduce una lavorazione tipica delle pietre naturali. **Reactive 3d Evo** contribuisce in modo decisivo all'eccezionale **fedeltà materica** di questo armonioso look marmo.

The timeless appeal of Italian travertine in a cross-cut version, declined in two different colours with a classic appeal and in two finishes: natural and textured, a three-dimensional surface that reproduces the typical processing of natural stone. REACTIVE 3D EVO contributes decisively to the exceptional material fidelity of this harmonious marble look.

Le charme infini du travertin italien dans la version transversale, disponible en deux variations de couleurs au charme classique et en deux finitions: naturelle et structurée, une surface tridimensionnelle qui reproduit un effet typique des pierres naturelles. REACTIVE 3D EVO contribue de manière décisive à la fidélité exceptionnelle de cet aspect marbre harmonieux qu'il a en origine.
