Il calore della terra

La ricchezza materica della terra cruda pigmentata incontra il fascino vibrante della resina spatolata. Natural è un dialogo di sensazioni tattili e visive che si completano a vicenda, in una collezione con due anime, dalle tonalità calde e rassicuranti. Un'estetica genuinamente naturale, che unisce radici arcaiche e design contemporaneo.

The warmth of the earth

The rich texture of pigmented raw earth meets the vibrant charm of resin. Natural is a dialogue of tactile and visual sensations that complement each other, in a collection with two souls, featuring warm and reassuring hues. A genuinely natural aesthetic, combining ancient roots and contemporary design.
