Wowood reinterpreta l'effetto legno combinando grafica e formati in modo assolutamente originale. Intarsi di essenze lignee a un vario grado di stagionatura compongono formelle di 61 cm di lato, per pavimenti con posa a quadro obbligatoria, molto ricchi dal punto di vista cromatico.

Wowood reinterprets the wood effect by combining graphics and formats in an absolutely original way. Inlays of wood essences at various degrees of seasoning make up panels of 61 cm per side, for floors with forced square laying, very rich from the chromatic point of view.

Wowood réinterprète l'effet bois entre formats et graphique de façon très originale. Des incrustations d'essences de bois à différents degrés de vieillissement composent des carreaux de 61 cm de côté, pour sols à pose carrée forcée, très riches d'un point de vue chromatique.

Il tema dell'intarsio, vero leitmotiv della collezione, caratterizza anche due formati dalla spiccata vocazione decorativa: il listello 10x61, molto apprezzato per il gran numero di schemi di posa che consente, e l'esagonetta, entrambi utilizzabili sia a pavimento che a parete.

The inlay theme, the true leitmotiv of the collection, also characterizes two sizes with a strong decorative vocation: the 10x61 strip, much appreciated for the large number of laying patterns it allows, and the hexagon, both of which can be used both on the floor and on the wall.

Le thème de l'incrustation, véritable leitmotiv de la collection, caractérise également deux formats à forte vocation décorative: la bande 10x61, très appréciée pour le grand nombre de façon de pose à disposition, et l'hexagone, tous les deux utilisables aussi bien au sol que au mur.
